

Amplify Performer EOI:

Are you a performing artist, musician, band or creative? Do you want to perform or be involved in local community events? Complete the below Expression of Interest (EOI).

Note: Submitting an EOI does not guarantee performance opportunities, selected performers are decided as a part of the ongoing Amplify program. Selection is based on event requirements and the Amplify committee's discretion.

Events range from voluntary unpaid performances to paid performances. Payments will be determined on the type of event and level of performer/s experience. Prior to a performer/s accepting an opportunity, Youth Services will inform the performer/s whether the opportunity is unpaid or paid.
